How to Get Involved!

Academies and Committees

Jessica Angleson, PharmD, BCPS

CPS Immediate Past President

**COLORADO
PHARMACISTS
SOCIETY**

Definitions

- **Academies:** Group of pharmacists and/or technicians representing special interest practices or local practice settings. Each academy elects one member of the academy to serve on the board of directors.
- **Committees:** opportunities for members to get involved and advance the practice the pharmacy in the state of Colorado.

Academy of Health-System Pharmacists

- **This academy is the state affiliate of the American Society of Health-System Pharmacists (ASHP), so has the benefit of ASHP national support in addition to CPS local support.**
- **AHP was formed to ensure that the current and future interests of health-system pharmacists are being promoted, represented, and recognized at the state level as well as within the parent organization, the Colorado Pharmacists Society (CPS).**

**COLORADO
PHARMACISTS
SOCIETY**

Academy of New Practitioners

- **The Academy of New Practitioners was started in 2012 to aid new practitioners as they forge their way into the diverse field of pharmacy in Colorado. Membership in the Academy is open to any Society member who considers him/herself a new practitioner, generally having graduated from a Doctor of Pharmacy degree program within the past seven years.**
- **Whether you are looking for professional development, networking, or mentor opportunities, the Academy of New Practitioners can help you find it.**
- **Fourth year pharmacy students are also encouraged to attend!**

Academy of Student Pharmacists

- **This academy was established to provide pharmacy students a voice on the Board of Directors and provide networking opportunities for pharmacy students in the state of Colorado.**
- **This academy represents the interests of pharmacy students of both the University of Colorado and Regis University.**

**COLORADO
PHARMACISTS
SOCIETY**

Academy of Community Pharmacists

- **New in 2018!!** The academy provides opportunities for community pharmacists to collaborate and represent pharmacists in the community pharmacy setting as one united voice.
- **The benefits of the Academy of Community Pharmacists include:**
 - Networking and collaboration with other community pharmacists across the state.
 - Opportunities for community pharmacists to be involved in legislative policy, CE events/education, networking, and future CPS endeavors.
 - Representation and promotion of the community pharmacy profession, including special interest practices or local practice settings.
 - Leadership positions within the academy.

Academy of Technicians

- **Plan to form this academy the next year**
