

CPS Helping To End Hunger Locally!

CPS is pleased to announce an ongoing partnership with Pharm to Tables!

Pharm to Tables is a charitable organization uniting pharmacy professionals in a singular, focused mission of helping end the hunger crisis of our local communities. Pharm to Tables works as a hub for donations specifically geared towards the hunger crisis in the local community. All online donations made at www.pharmtotables.org (less the paypal fees) will go to the designated meal program or food pantry designated in the "instructions to the seller" section on the donation page.

Please **do not give** cereals such as Apple Jacks, Cinnamon Toast Crunch, Corn Pops, Fruit Loops, Frosted Flakes, chocolate Cereal, or other sugary cereal. Cereal donations can be brought to the 2020 CPS Winter Meeting, and monetary donations can be made anytime. If not attending the Winter Meeting and you still want to donate cereal, you can drop it off at Project Angel Heart in Denver (4950 Washinton St, Denver 303-830-0202) or in Colorado Springs (1625 W Uintah Street, Suite 1 719-323-0084). As health care professionals we took an oath to consider the welfare of humanity and relief of suffering as a primary concern. Let's make good on that promise!
